Welcome To A New World

About

ABI INTERIORS

ABI is dedicated to creating high-end tapware, fixtures and other space-transforming accessories. With a focus on innovation, durability, and thoughtful design, our products are made using world-class technology and processes, with up to 25-year warranty.

The Australian family-owned business originated in 2016, after identifying a gap in the market for beautiful, high-quality, coloured tapware. Since then, ABI has expanded internationally and offers an extensive range of interior products in

a variety of signature finishes, and are recognised today as Australia's premier creators of architectural products.

ABI is driven by a purpose of enriching lives by enriching spaces. They are committed to creating products that extend beyond beautiful design, to solve problems and add value to lives. Guided by values of quality, trust, innovation, passion, and responsibility, their vision is to be the world's most loved creators of thoughtfully designed products.

Product Construction & Finishes

Our main construction materials are solid brass, 304 stainless steel, and 316 stainless steel.

Solid brass is commonly used for residential purposes (e.g. throughout the home).

Stainless steel is used more in non-residential environments (e.g. high traffic locations like public bathrooms) and is made from 304 stainless steel. We also have 316 grade stainless steel which is for outdoor use. Stainless steel is also regularly used in areas that require more durability (e.g. kitchen sinks, floor wastes etc.).

While solid brass and stainless steel products are treated using the same finishing process, the difference in construction materials means there may be slight variations in the colour and overall wear of the finish. All ABI Interiors products can generally be used in residential and non-residential settings unless a specific standard dictates otherwise.

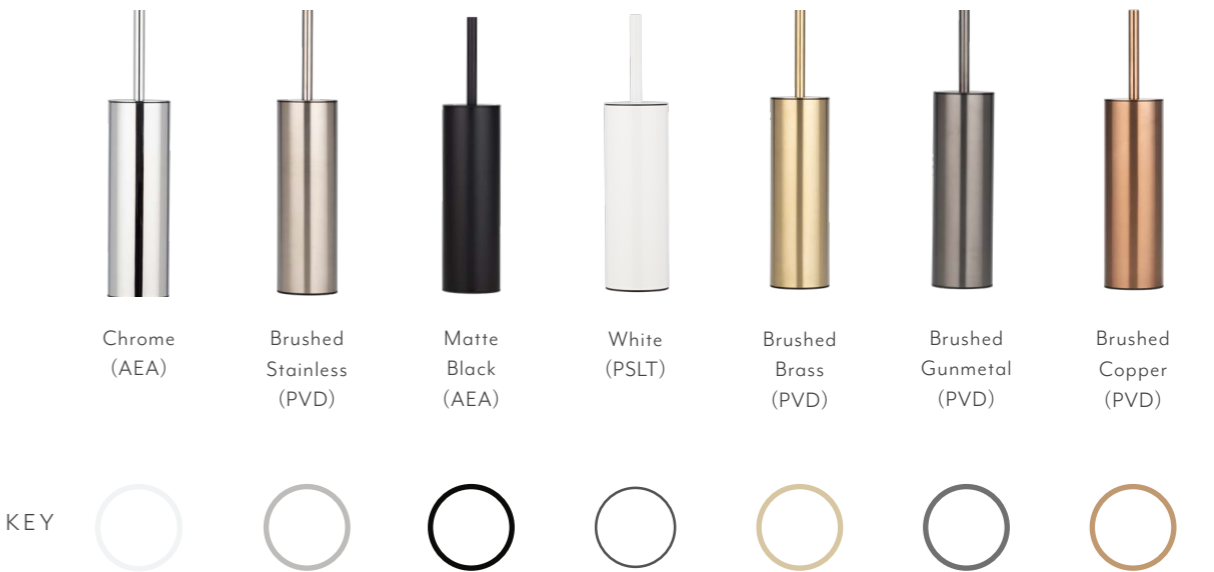

They then undergo one of the following colour treatments to complete the finished product:

- Advanced Electroplating Application (AEA)
- ABI's HeatShield - Physical Vapour Deposition (PVD) - Industrial Grade Electro Colouring System
- PrimeShield Lacquer Technology (PSLT)

Vanities

Construction & Finishes

Our bathroom vanities are constructed from high-density moisture resistant particle board for durability assurance. Either 2PAC or laminate is bonded to the surface of the cabinetry to complete the finish.

Our bathroom vanities are available in a range of appealing finishes to help define your space. For laminate surfaces, these include pure oak, white ash oak, walnut and black oak finishes. For our 2PAC surfaces, you have the option of either a simple flush white, smart white VJ or refined white shaker.

Our composite stone is a human-made stone that is lightweight and durable, and available in two colourways, including glacier white and carrara.

Our engineered quartz stone is synthesised by more than 80% quartz crystals with additional resin and other trace elements, ensuring these countertops are scratch-resistant. They are available in pure white, carrara and calacatta.

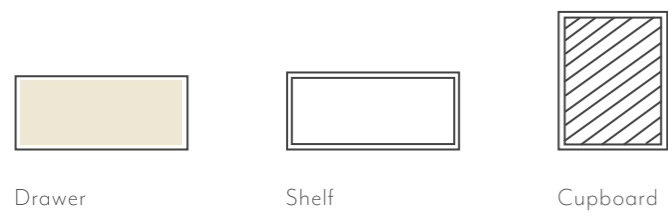

Basin Positioning

Basin positioning for all ABI vanities is to be centred to the drawer fronts only. For example, if you choose a two-drawer vanity, your basin will be centred to the drawer front and installed on either the left or right side.

If you need advice or guidance, please get in touch, and our sales team will assist you.

Please Note: ABI does not provide cut-out holes in your stone for your basins, the positioning refers to the waste allowance in the drawer only. Your on-site installer will need to assist you with this.

Product Care Guide

TAPWARE, SHOWERWARE, ACCESSORIES, STAINLESS STEEL SINKS, WASTES, SHOWER CHANNELS, GLASS AND DOOR HARDWARE

Cleaning and Maintenance

- Use natural cleaning products only and no abrasive cleaning cloths.
- Weekly cleaning with warm soapy water and a microfibre cloth is recommended.
- Dry after each use to reduce watermarking and surface rust.
- Dilute toothpaste with water to restore the vitality of the finish.
- When cleaning, wipe in the direction of the brushed grain to maintain the brushed appearance.
- For renovations and new builds, flush pipes before first use.
- To best maintain finish, do not let water pool.

BASINS, BATHS

Cleaning and Maintenance

- Clean any marks or stains as soon as they occur.
- Clean with warm soapy water or a cream-based cleanser and a microfibre cloth to remove most markings.
- Solid surface is easy to maintain using natural cleaning products.
- For matte white solid surface products, fine grade sandpaper can be used to remove stains or markings in some instances.

NATURAL STONE BASINS

Cleaning and Maintenance

- For natural stone, seal with a natural stone sealant prior to first use. Repeat if necessary.
- Regularly clean with a natural detergent or stone soap.
- Thoroughly rinse with clean water, then dry the surface with a soft cloth.

CAUTION - APPLICABLE FOR ALL ABI PRODUCTS

- Do not use chemicals or abrasive cleaners. This includes:
 - Bleach and bleaching agents
 - Ammonium and ammonium agents
 - Highly acidic cleaners
 - Alcohol and mineral-based solvents
- Limit exposure to high levels of salt.
- If your product comes into contact with any of these chemicals, rinse immediately with warm soapy water.
- Avoid scourers and rough brushes for cleaning.
- Avoid contact with sharp objects that could chip or scratch the surface.
- Do not apply heat directly on surface.

Warranty

UP TO 25-YEARS LIMITED RESIDENTIAL WARRANTY

ABI Interiors offers up to 25-years limited warranty for residential customers subject to our warranty terms and conditions.

UP TO 10-YEARS LIMITED NON-RESIDENTIAL WARRANTY

ABI Interiors offers up to 10-years limited warranty to non-residential applications of our products subject to our warranty terms and conditions.

WARRANTY COVERAGE

Both ABI Interiors' Residential Warranty and Non-Residential Warranty offer coverage in relation to a product's:

Structure – including its construction, material and assembly;
Finish – including the product's coating and external appearance; and
Cartridges – where a product contains cartridges, ABI Interiors' warranties cover faults in those cartridges.

You can view our full warranty terms and conditions on our website: abiinteriors.global/warranty/

ALL ABI INTERIORS PRODUCTS ARE TESTED AND CERTIFIED TO MEET ALL REQUIRED STANDARDS IN THE MARKETS IN WHICH WE OPERATE.

Our tapware is certified under AS/NZS 3718 : 2005.
WaterMark Licence: WM- 022852.

“We strive for absolute perfection in the design and innovation of all our products. It’s what excites and drives us”

— Luli Farrell, Co-founder

Disclaimer

The products described in this catalogue are those made available from April 2022. ABI Interiors will aim to maintain stock for all products listed in this catalogue until April 2023, however stock levels are subject to change without notice and depiction of a product in this catalogue is not a guarantee that a product is in stock. ABI Interiors reserves the right to discontinue a range, model, colour or finish of a given product at any time. Images in this catalogue are for illustration purposes only and may not be to scale. We endeavour to ensure that all finishes are displayed accurately, but you should be aware that finishes and colours may appear different from the true finish and colour in print or on different displays and screens. Due to the nature of the colouring process there may be slight colour variation between products and batches.
