BRUSHED BRASS

Kerrie-Ann Jones

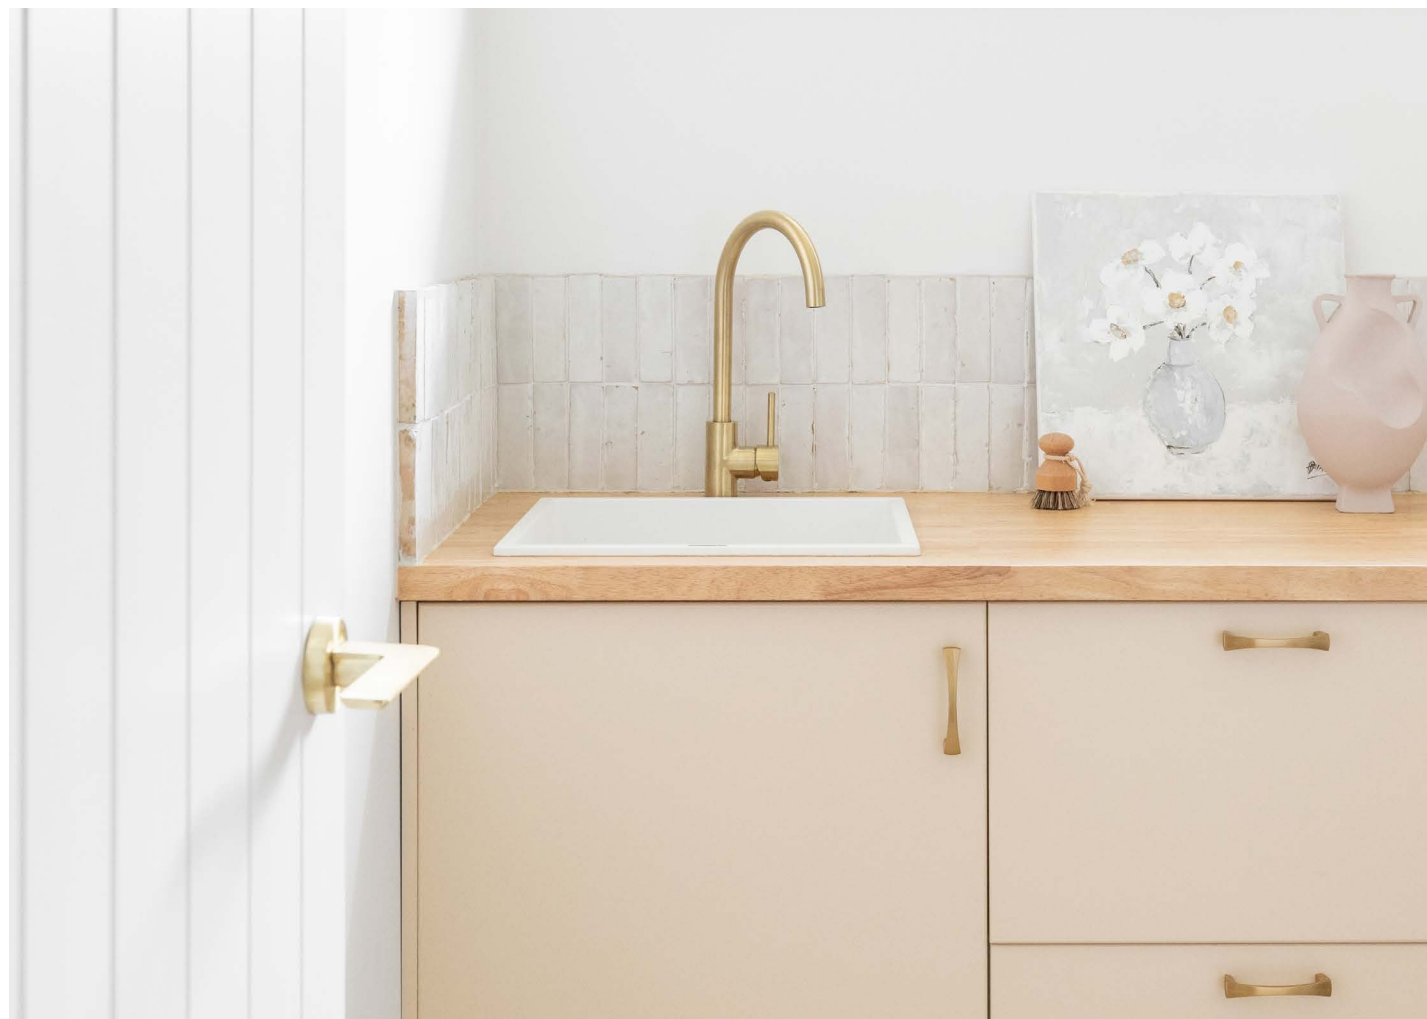

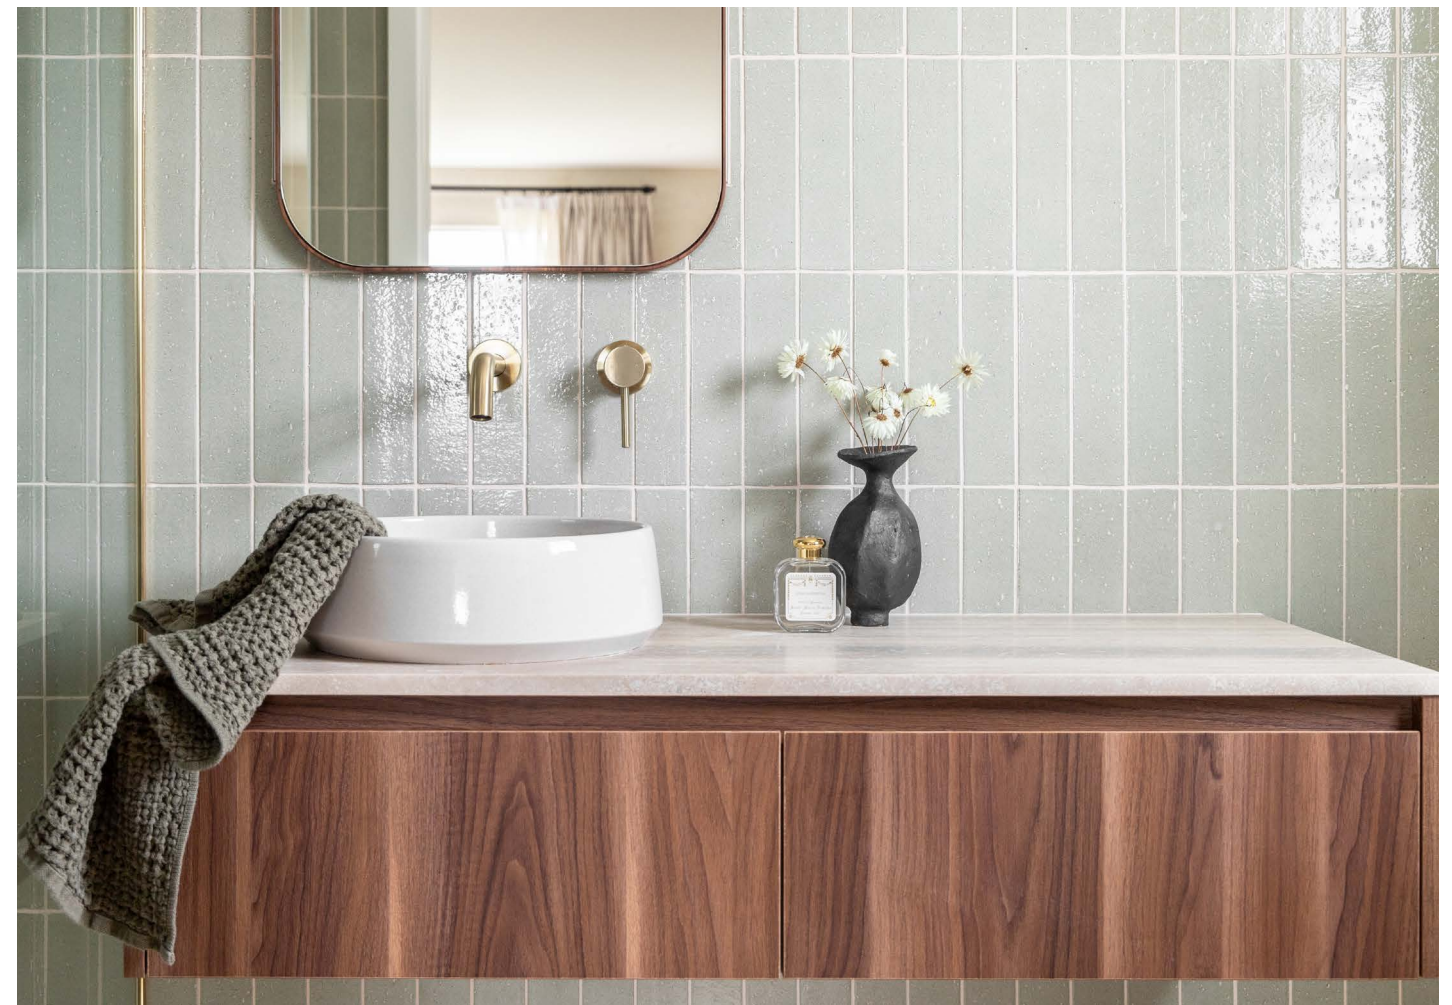

Project by **Kerrie-Ann Jones + The Stylist Lab** | Photography by **ABI Interiors**
Located in **Dolans Bay, NSW**

Kerrie-Ann Jones' home reflects her aptitude for unique and considered design. The Dolans Bay property explores the joys of mid-century modernism while incorporating opulent touches such as palladiana floors and brushed brass fixtures.

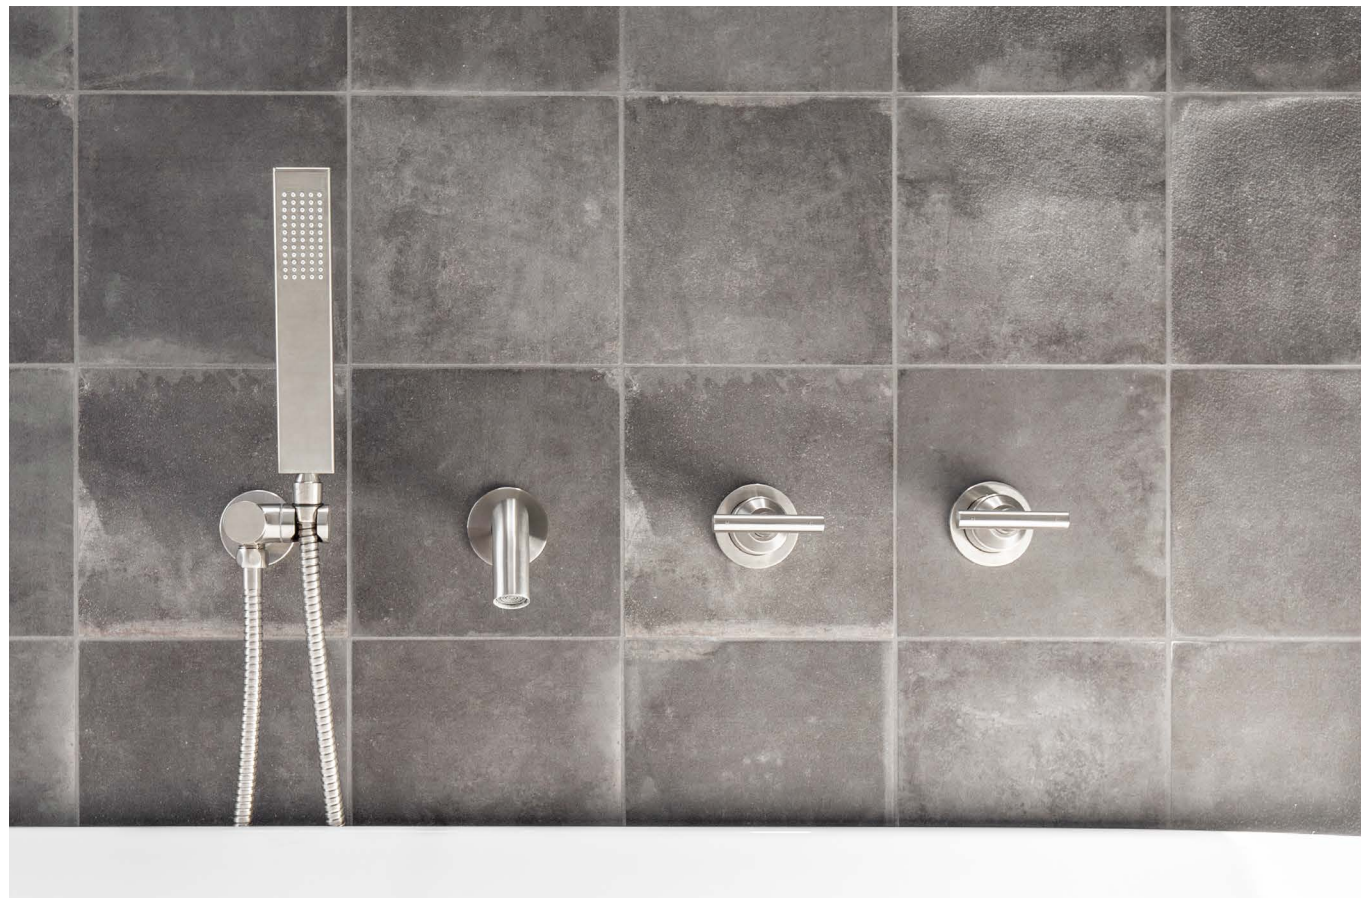

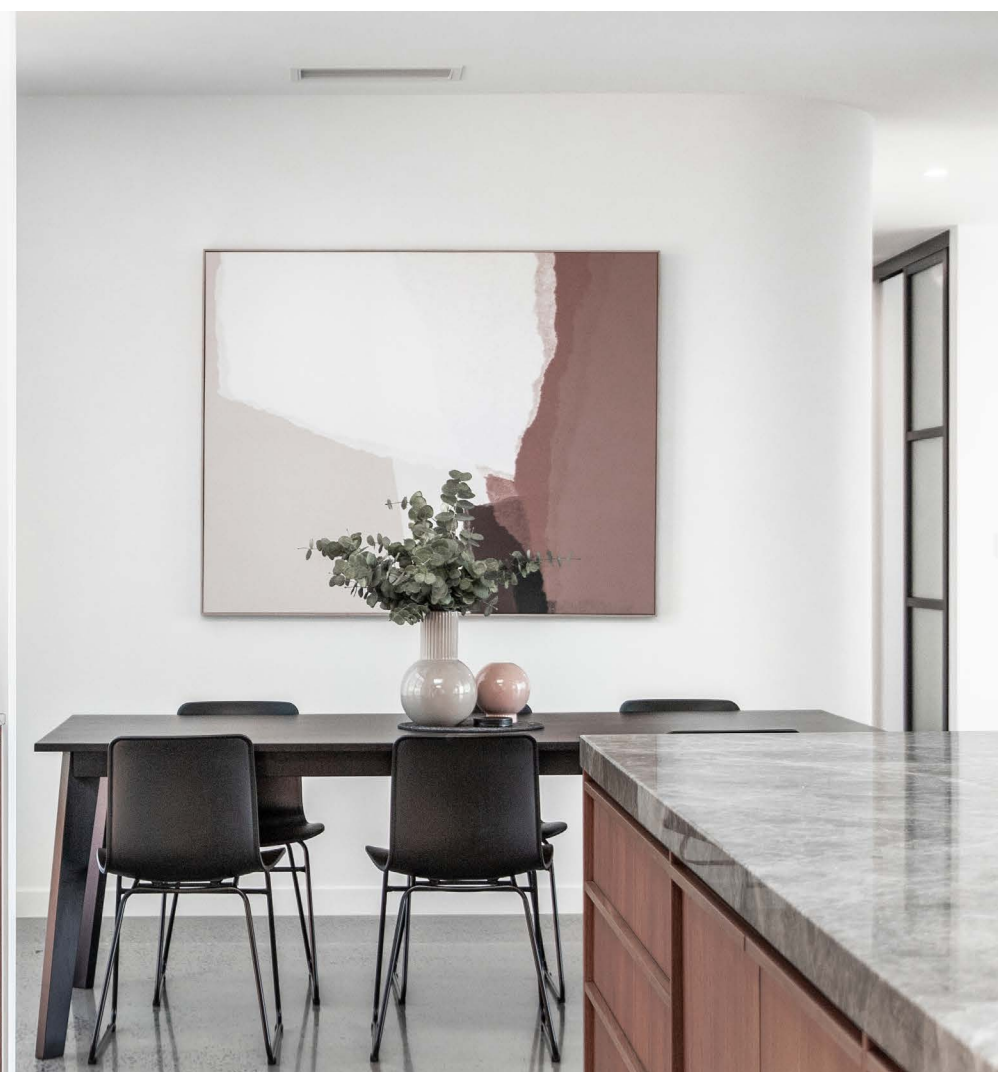

BRUSHED NICKEL | STAINLESS STEEL

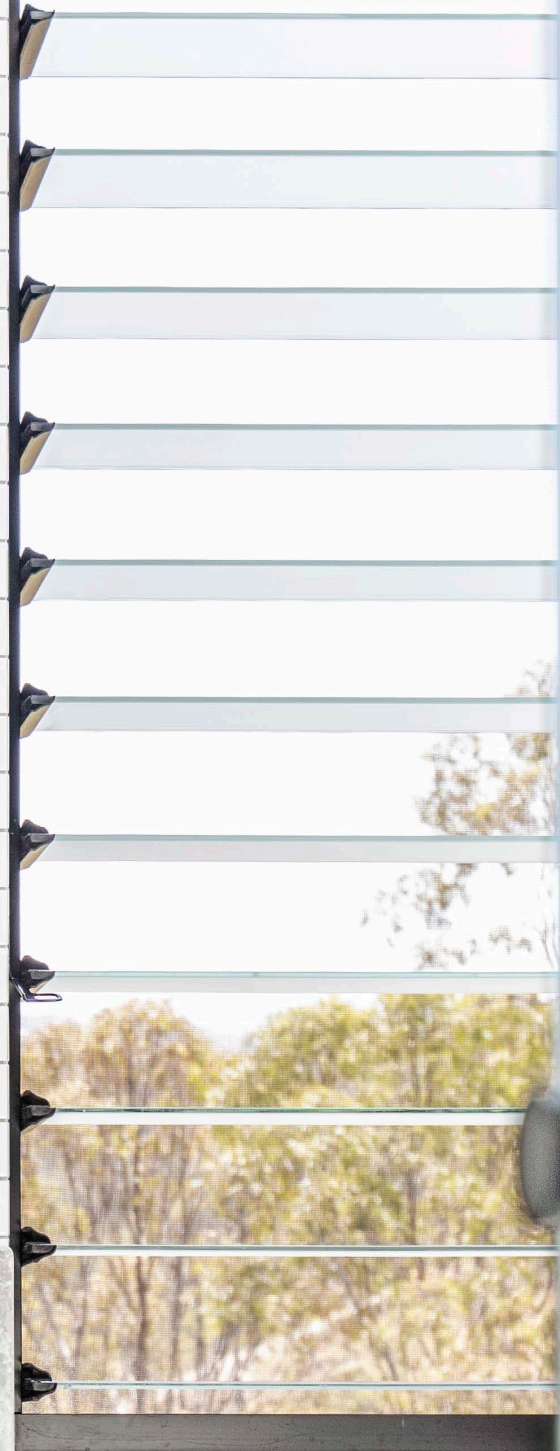

Project Keira

Project by **Urbane Build + Big House Little House**
Joinery by **Weston Kitchens and Bathrooms + New Age Veneers**
Photography by **ABI Interiors** | Located in **Toowoomba, QLD**

Project Keira is an example of how contemporary design can work congruently with the pastoral pleasures of the Australian bushland. The home presents a sophisticated day-to-day scene, with brushed nickel tapware skillfully supporting the scheme.

BRUSHED COPPER

Ruin X

Project by **Matt Jamieson + Emma Sweeny** | Rendering by **Render X**
Design by **Jayson Pate Design** | Build by **Bradford Constructions**
Photography by **ABI Interiors** | Located in **Gold Coast, QLD**

Extravagant yet extremely functional, Ruin X boasts just the right amount of eclecticism to command your attention.

The expansive Gold Coast home is almost entirely rendered, ensuring that it's unlike anything else on the market.

BRUSHED BRASS

Tawarri Crescent Project

Architecture by **Habitat Studio Architects** | Build by **PJH Constructions**
Interior Design by **Our Next Project** | Photography by **ABI Interiors**
Located in **Gold Coast, QLD**

The Tawarri Crescent Project finds space for contemporary flairs amongst a decidedly coastal scheme. Familiar comforts like bright whites and brushed brass fittings are abundant, though it's elevated by architectural features such as arched battens.

BRUSHED COPPER | STAINLESS STEEL | BRUSHED NICKEL

The Talle Valley House

Project by **The Talle Valley House**
Build by **Woods Works Building and Construction**
Photography by **ABI Interiors** | Located in **Gold Coast, QLD**

Clean lines, light colours, and a touch of brushed copper ensure that The Talle Valley House is a place of relaxation. Its open-plan design cuts out clutter, allowing natural light to lift and liven the room. Focal features such as terrazzo bring a point of difference to energise the scheme.

STAINLESS STEEL | MATTE BLACK | BRUSHED NICKEL

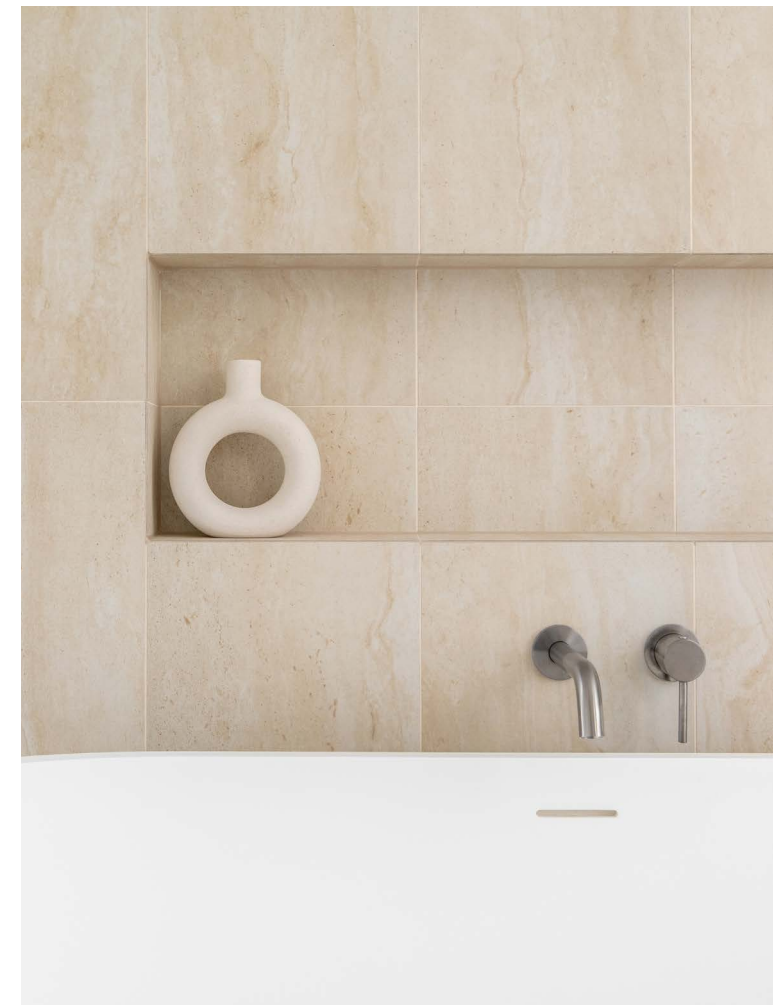

Centurion

Build by **GRAYA™** | Photography by **ABI Interiors**
Located in **Brisbane, QLD**

Centurion has a powerful presence. It's a mastery of architectural expertise, experimenting with the impact of shapes and texture. The modern enclave is contrasted by bushland surroundings, yet it's just a stone's throw from Brisbane CBD.

BRUSHED NICKEL | BRUSHED BRASS

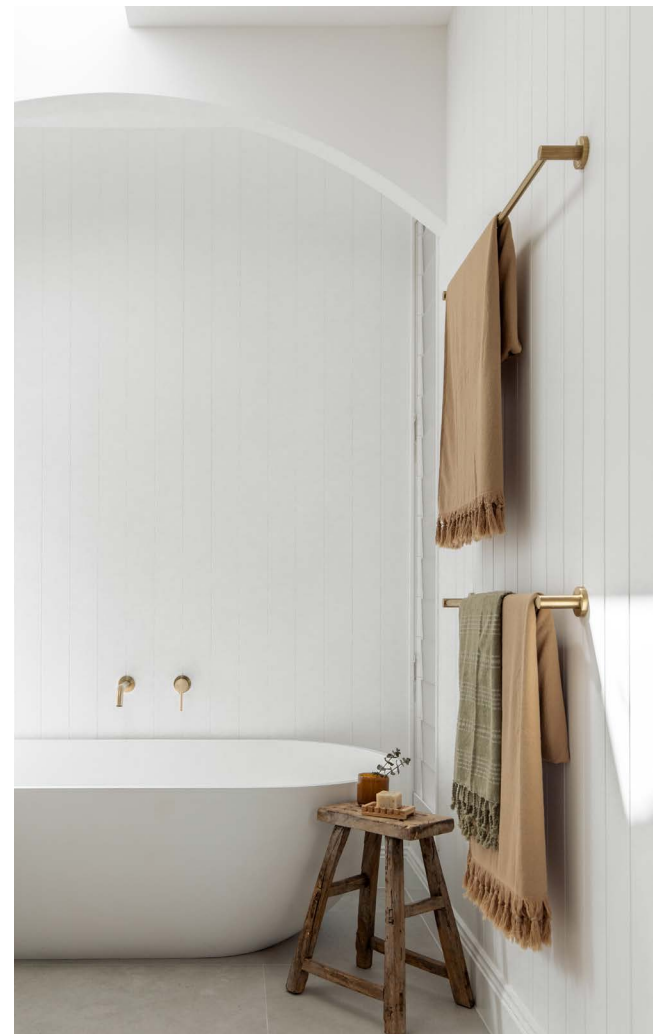

The Estuary

Build by **Custombuilt Builders Pty Ltd** | Project by **Styled By Luee**
Interior Design by **Kirrily Giltrap** | Property Styling by **Design Eleven Co + Styled By Luee**
Photography by **ABI Interiors** | Located in **Gold Coast, QLD**

These two generous waterfront houses display an immaculate coastal theme, offering contrast yet staying cohesive.

BRUSHED BRASS | MATTE BLACK

Mati Constructions

Build by **Mati Constructions** | Architecture by **Invilla Designs**
Photography by **ABI Interiors** | Located in **Brisbane, QLD**

In one of their latest projects, Mati Constructions exemplify the importance of accenting features. Brushed brass and matte black fixtures have been tastefully appointed in the home, providing variety for the clean design.

BRUSHED BRASS

Homes By Hoven

Project by **Homes By Hoven** | Styling by **Design Eleven Co**
Photography by **ABI Interiors** | Located in **Gold Coast, QLD**

Sitting on the Gold Coast's canal system, this property is a modern take on Hamptons style.

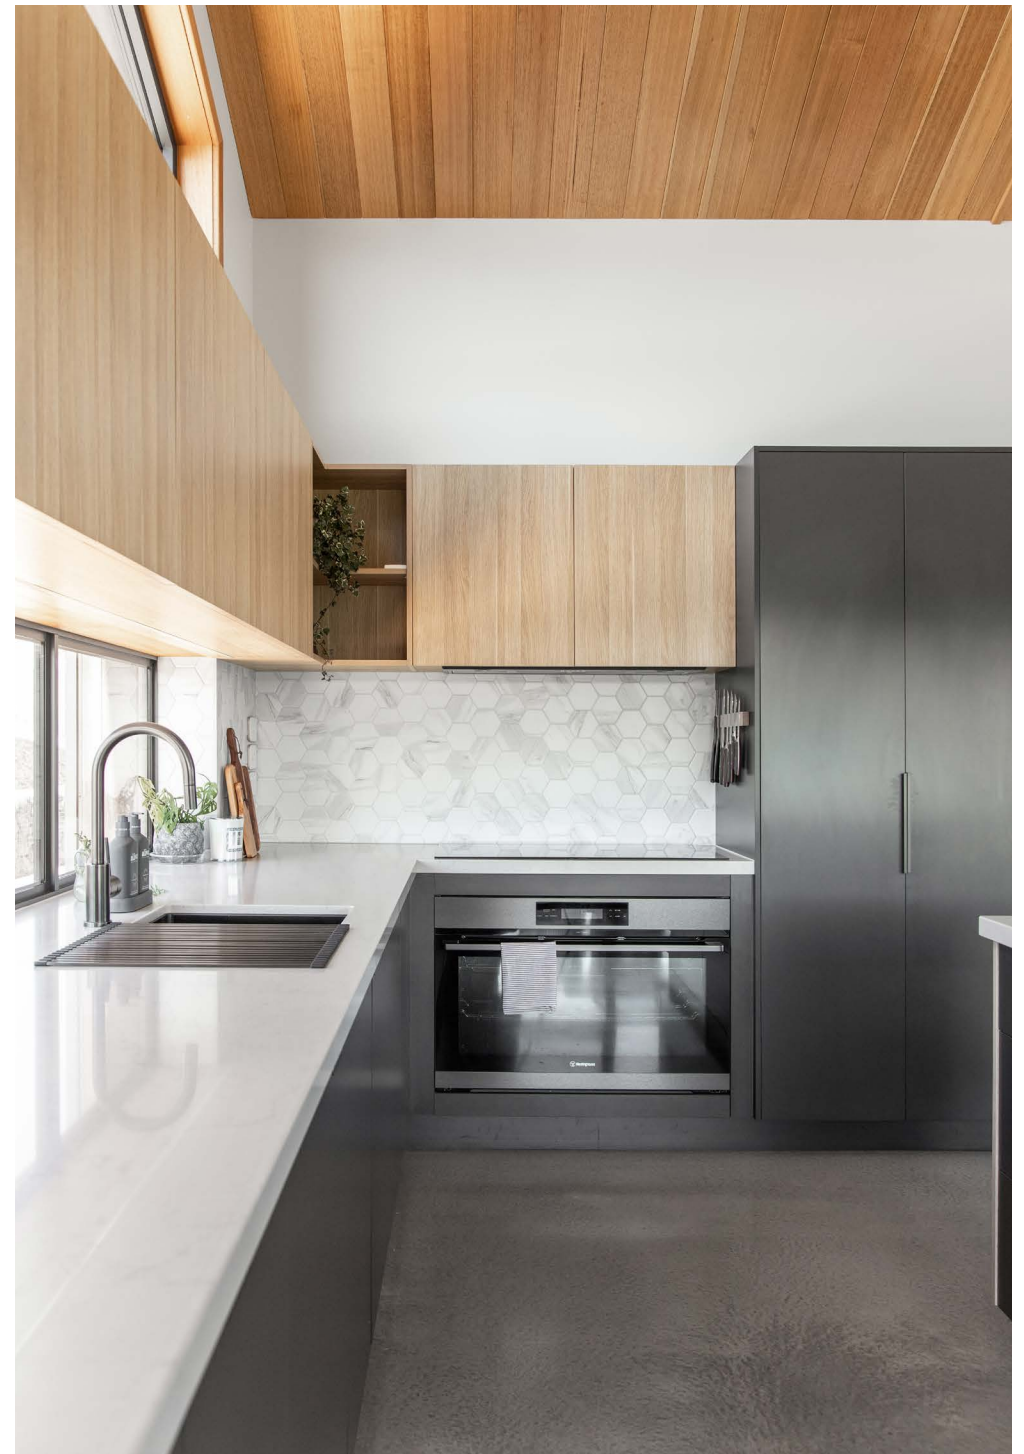

BRUSHED GUNMETAL

Project Tasman

Project by **Project Tasman** | Build by **Zanetto Builders**
Photography by **ABI Interiors** | Located in **Hobart, TAS**

Project Tasman epitomises the best of modern farmhouse design by blending industrial and country elements. Brushed gunmetal fixtures support the concrete details, allowing timbers to define the home with texture.

BRUSHED NICKEL | STAINLESS STEEL

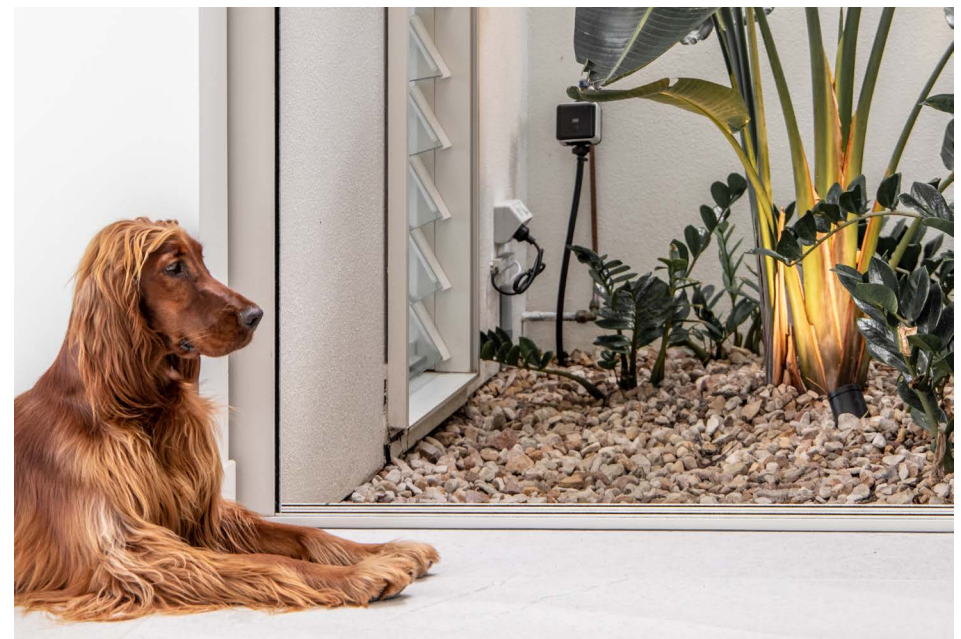

Buddina Build

Project by **Josh Dzufer + Jarrad Cramp** | Build by **Nexus Building Group**
Stone/Tiling by **Arlo Stone** | Photography by **ABI Interiors**
Located in **Sunshine Coast, QLD**

Soothing neutrals and brushed nickel tapware make the interiors of Buddina Build feel weightless. Setting the standard for contemporary-coastal design, this home takes full advantage of the lush greenery and natural light surrounding the property.

BRUSHED BRASS

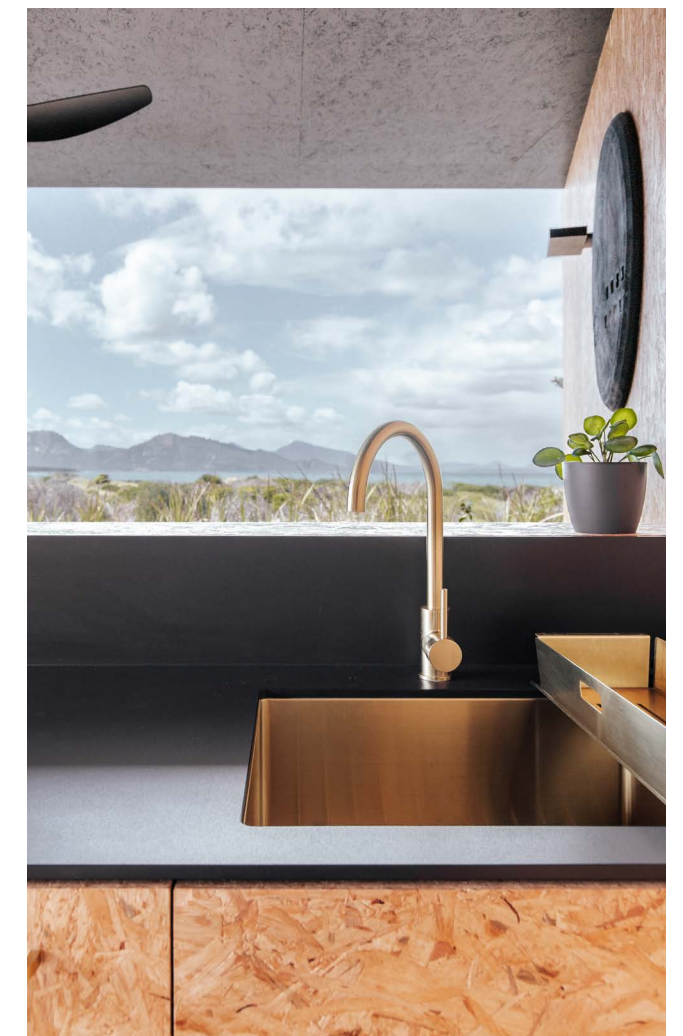

Dolphin Sands Studio

Architecture by **Matt Williams Architects** | Build by **Peter Blythe Builders**
Photography by **ABI Interiors** | Located in **Dolphin Sands, TAS**

This tiny home embraces the rugged views of Tasmania's east coast. The property is a triumph of sustainable design, leaving the surrounding sand dunes undisturbed in the building process. The interiors offer a warm, luxurious place to find respite from the world.

CONTEMPORARY | MODERN

Align Build

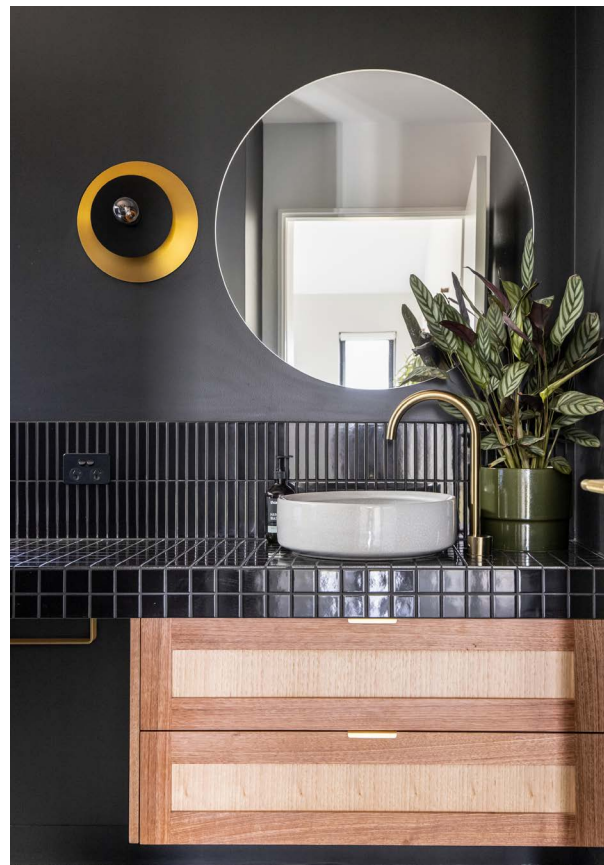

Project by **Align Build** | Photography by **ABI Interiors**
Located in **Launceston, TAS**

When Align created this contemporary cabin, they wanted natural light to influence the overall design scheme. Brilliant skylights, elongated windows, and an impressive plant wall are standout features that complement the rustic views.

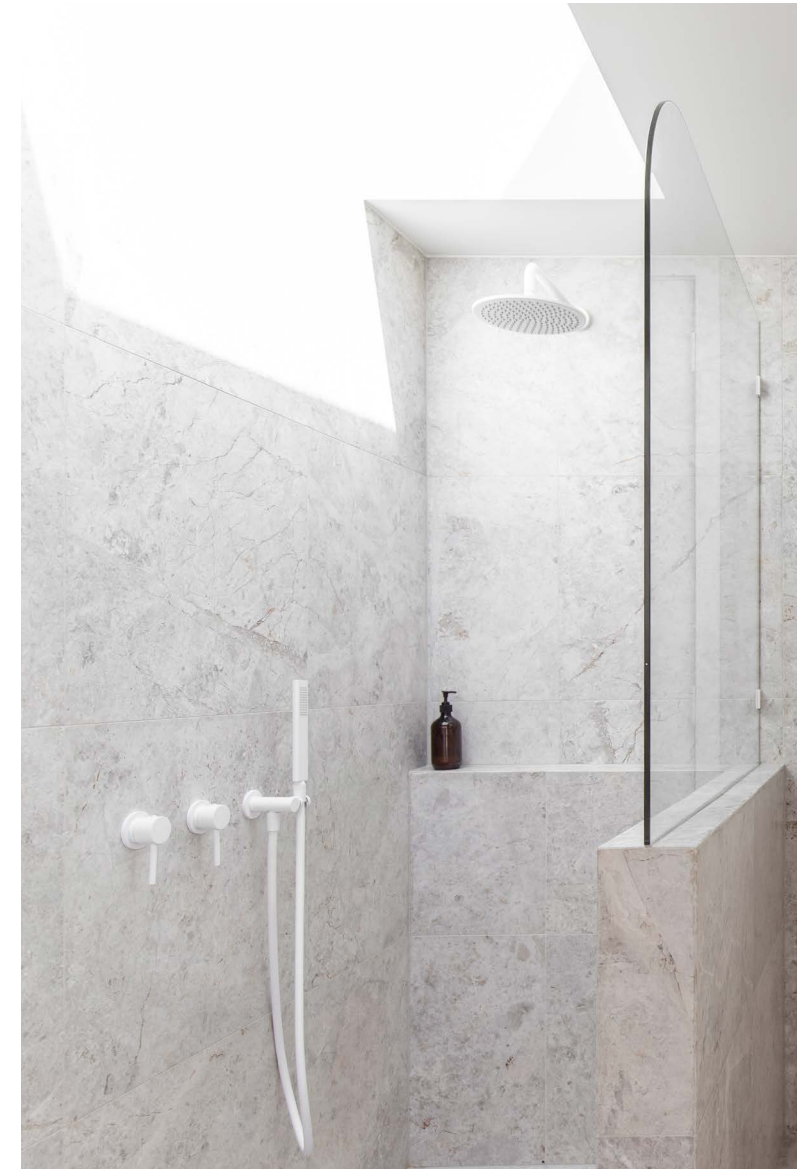

BRUSHED BRASS | WHITE

Nest Projects

Project by **Nest Projects** | Support by **BuildHer Collective** | Architecture by **Tecture**
Photography by **ABI Interiors** | Located in **Melbourne, VIC**

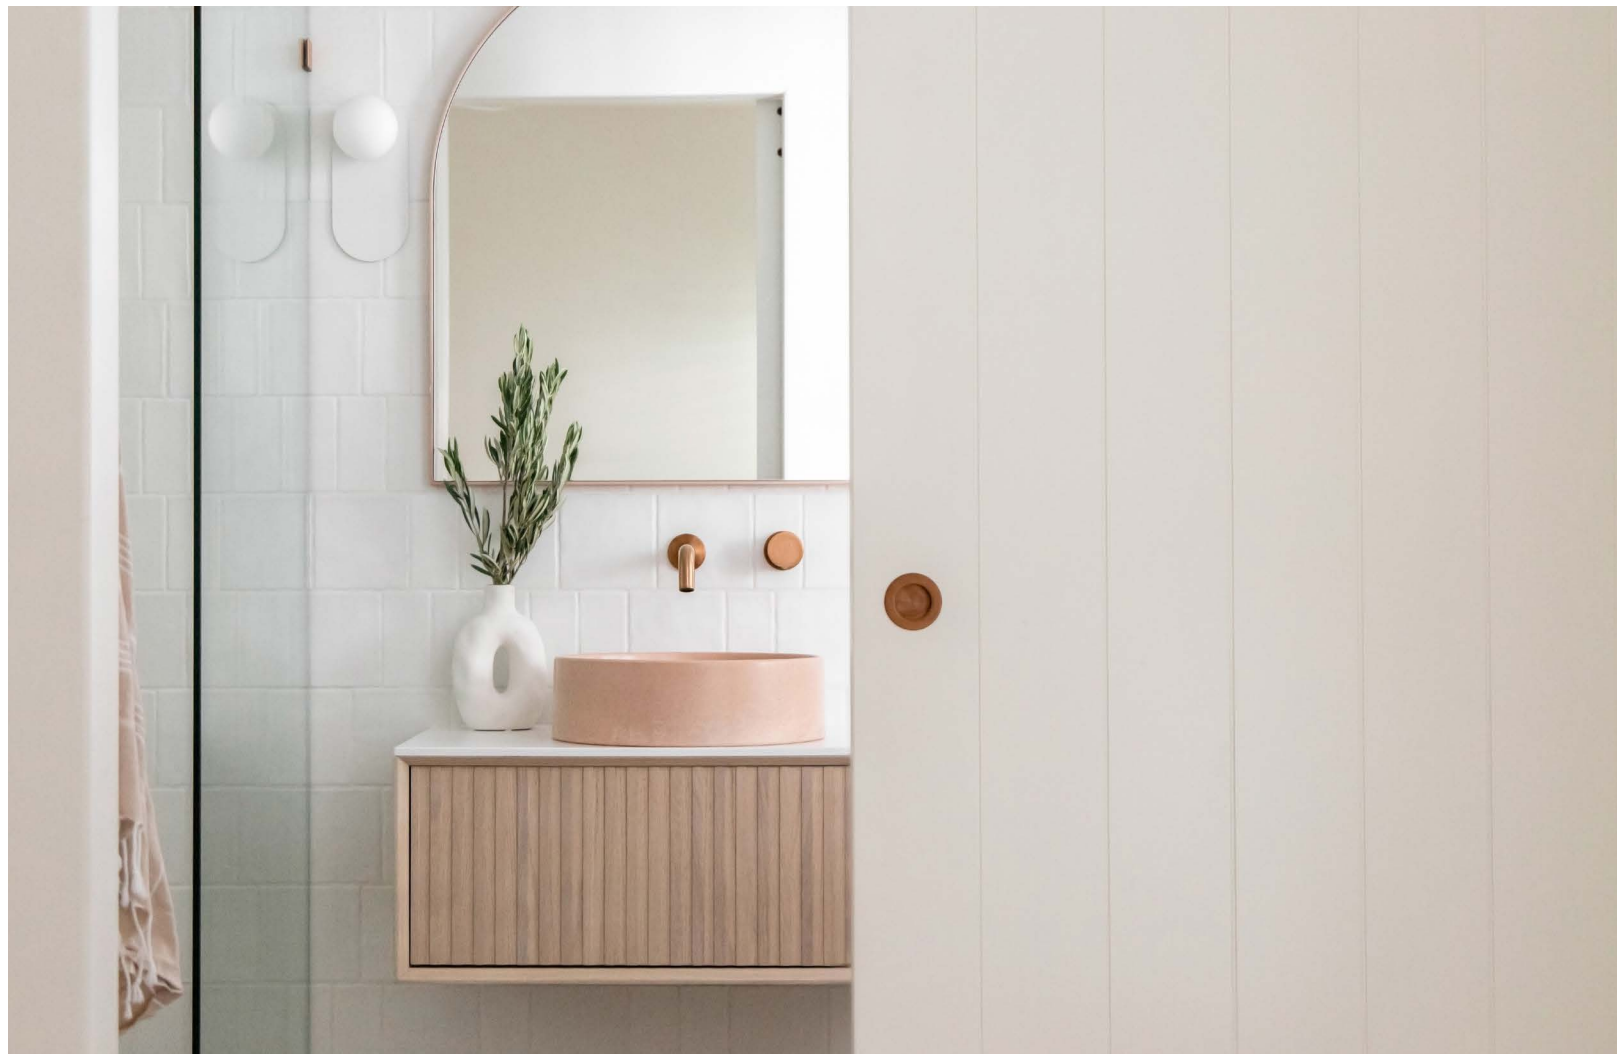

White fittings and fixtures detail this Nest Project build with a contemporary tone. The home is grounded by timber pieces and lifted by a light palette, creating a well-balanced space that supports both form and function.

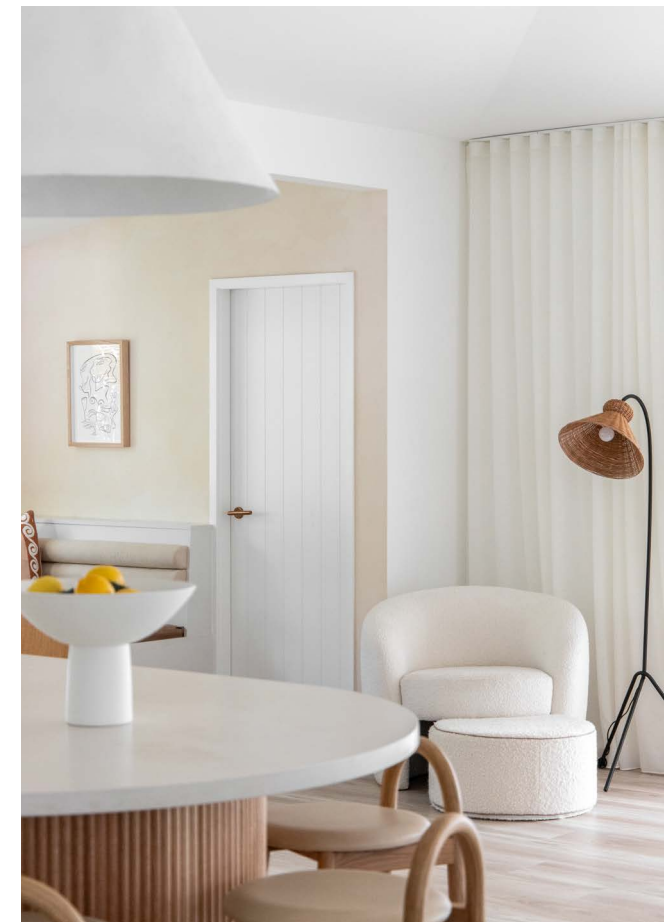

ALMOND | BRUSHED COPPER

Sunshine Beach Renovation

Project by **Beth McKenzie** | Photography by **ABI Interiors**
Located in **Sunshine Coast, QLD**

Brushed copper fixtures add to the home's warmth, contrasting serenely with the organic palette.

CHROME | BRUSHED GUNMETAL

Aruma Burleigh

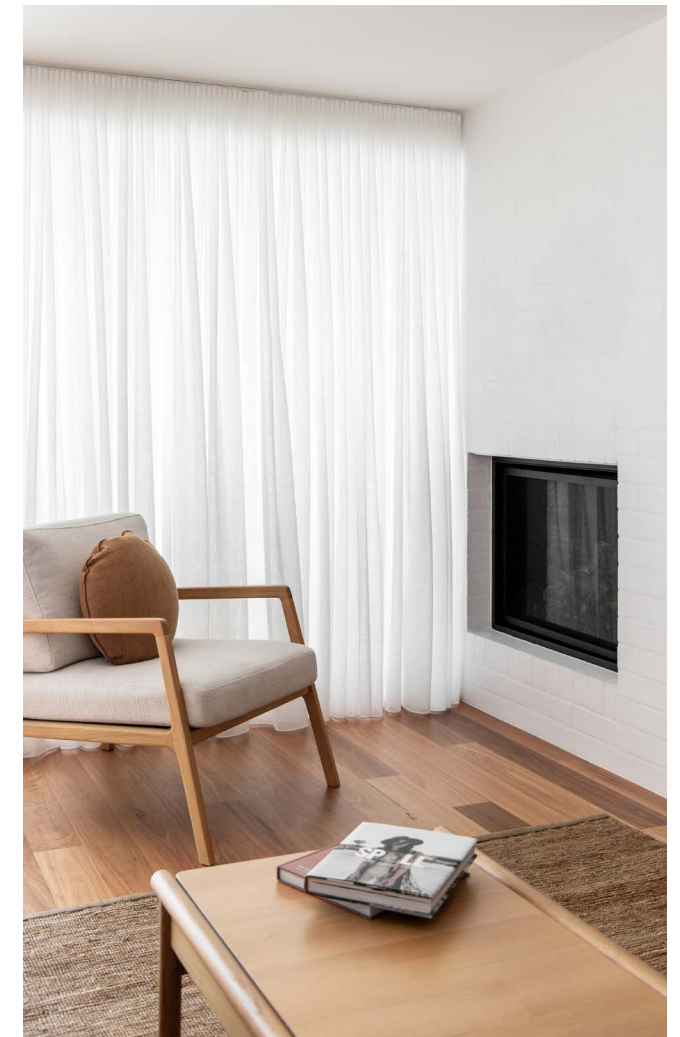

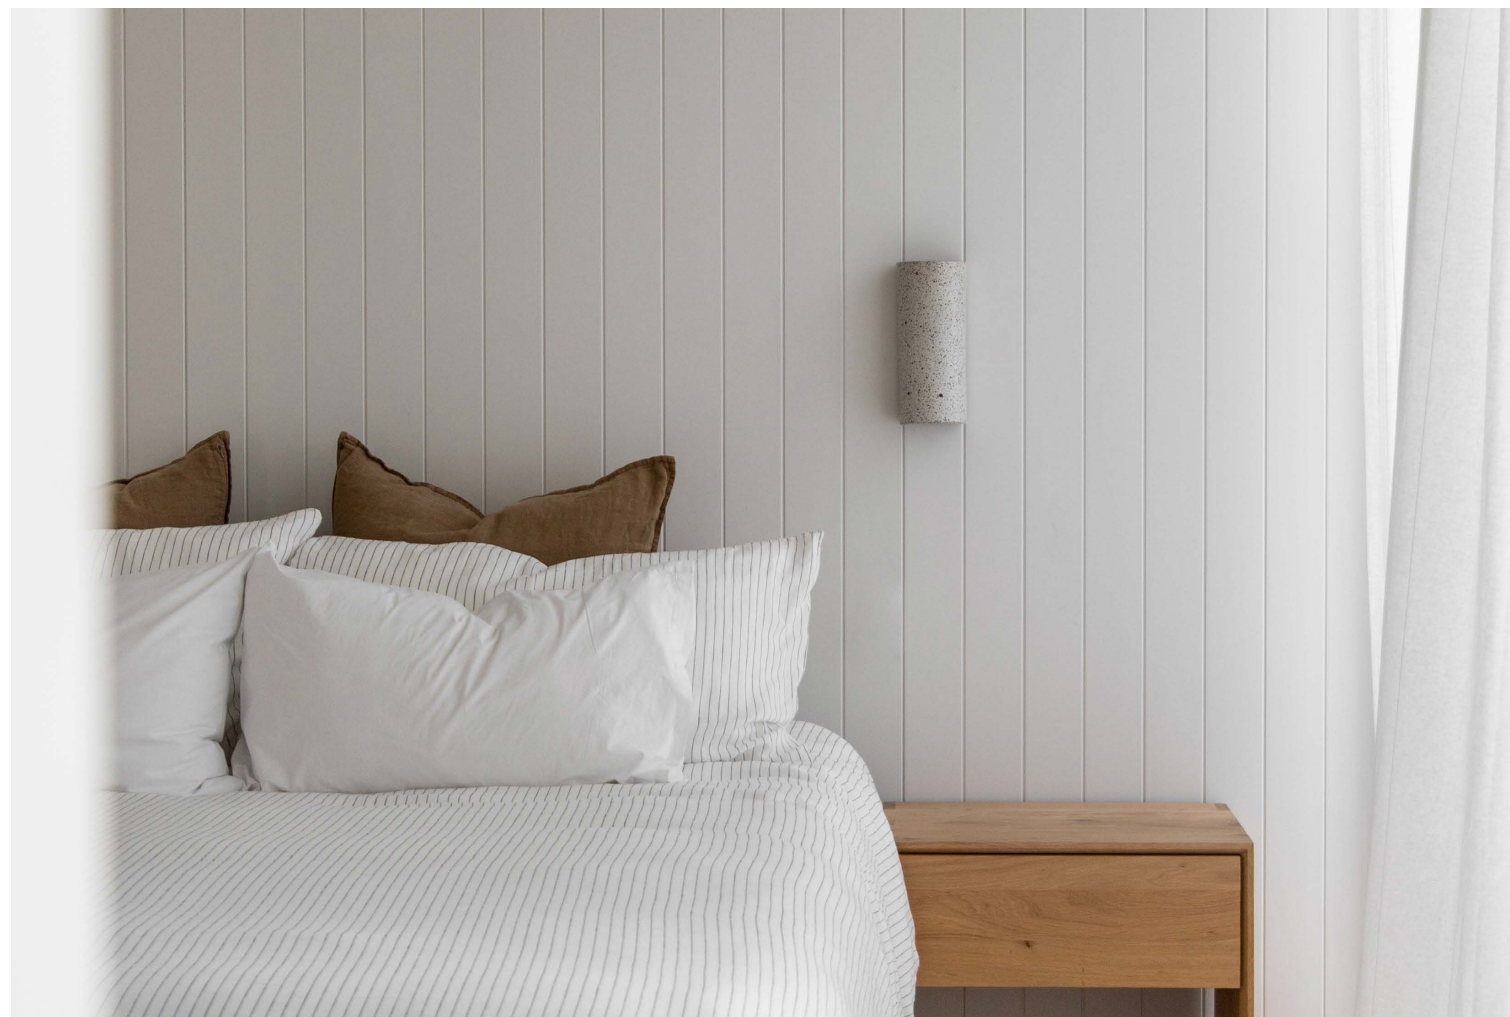

Project by **Aruma Burleigh** | Photography by **ABI Interiors**
Located in **Gold Coast, QLD**

Aruma Burleigh is a textbook example of contemporary style. Sharp design, muted tones, and just the right amount of texture infuse character into the home. Chrome tapware adapts expertly to each setting, bringing shine to the scheme.
